

Role Information

<i>Job title</i>	<i>Cabin Crew - Gatwick Fleet (with attestation)</i>
<i>Band</i>	<i>Non-Management</i>

Job Purpose

A fantastic opportunity exists to join our Gatwick Fleet team of Cabin Crew where you will deliver outstanding customer service.

As a British Airways Cabin Crew member based at Gatwick you will be enthusiastic and passionate about our products and services and focus on putting the customer at the heart of everything you do.

You'll have the opportunity to develop new skills and take control of your career path and be recognised and rewarded for your outstanding contribution.

Principal Accountabilities

- To ensure operational safety, security and health and safety responsibilities are performed to the highest standards and are compliant with EASA, British Airways requirements and all other relevant legislation*
- Maintain safety compliance at all times with Safety & Equipment Procedures (recency) training*
- Deliver world-class service excellence in line with our service standards and behaviours*
- To ensure compliance with all corporate policies and procedures in accordance with relevant legislation*
- To act as a British Airways role model to crew, colleagues and customers adhering to our uniform standards*
- To build effective working relationships with colleagues and service partners to work as one team*
- To deliver the crew objectives set by the business and a personal development plan, developing self-awareness through 360 feedback*

- You proactively seek solutions and take personal responsibility for resolving problems
- You are able to learn new information easily and quickly apply it correctly
- You always demonstrate a positive 'can do' attitude
- You appreciate the need to work in a timely fashion and appreciate the need for punctuality
- You uphold high personal and professional standards
- You demonstrate pride and knowledge of the British Airways brand and understanding of the business strategy

duties in the proximity of your airport base

- To wear the British Airways uniform to the required standard with no visible tattoos or body piercings. Tattoos or body piercings must never be visible on the body or through uniform clothing and MUST be able to be covered. Only tattoos that can be reasonably covered up are permitted. Plasters and bandages must not be used
- To have a valid EASA (European Aviation Safety Agency) Cabin Crew Attestation (CCA). The CCA must have been issued within the last five years, or if issued more than 5 years ago you must have flown on at least one aircraft type

Physical Criteria

- To be medically and physically fit to meet regulatory and role requirements (if successful, you will be required to attend BA Health Service Medical Assessment)
- To be the required height, between 1.575m (5'2") and 1.85m (6'1") with weight in proportion to your height and a vertical function reach of at least 2.01m (6'7")
- Cardiopulmonary resuscitation (CPR) Be able to kneel astride a person within the space restriction of 46cm (18"), apply pressure through both arms to a depth of 5-6 cm (2.5"), for 30 compressions for a period of 2 minutes minimum
- You are able to lift a weight of 9kg (20lb) from a height of 195cm (78"), this is the equivalent of lifting a medical kit from an aircraft overhead locker

- You are able to tread water whilst fitting a lifejacket and pull your own bodyweight out of the water and into a life raft using the hand holds on the side of the raft
- You are able to pull a fully laden trolley weighing up to 86kg (13.5st) and on an incline of up to 3 degrees
- You are able to fit into an aircraft jump seat harness without a seatbelt extension
- Stand in an area 51cm x 51cm (20" by 20") and not impede the route past you, this is to enable a rapid aircraft evacuation
- You are able to swim 50m (55 yards) followed by treading water for 3 minutes and be able to assist people in water
- You are able to lift a weight up to 28kg (4st). This is so that you are able to lift an emergency overwing window and quickly exit the aircraft
- You feel confident working with heights e.g. you need to be able to descend an aircraft escape slide 9 metres above the ground (Please refer to the LGW FAQ'S for further information)
- You are able to stay calm and deal with emergencies and take control of people when required
- You feel confident in carrying out all safety and emergency procedures on board
- To be prepared to remove any headwear in the event of an emergency in order to be able to pull on an emergency smoke hood in the required time
- European Aviation Safety Agency (EASA) regulations require that all current or former cabin crew inform us if they hold or if they have held an attestation from any Member State (i.e. a country covered by EASA) in the last 5 years

British Airways Plan4 Behaviours – FSLT

Faster	Clear on what needs to be achieved, brave enough to try new things and make decisions quickly to ensure we can deliver what we commit to.
Smarter	Innovate and constantly seek improvements through understanding our customers and the market in which we operate, sharing knowledge and embracing digital solutions to beat the competition.

<i>Leaner</i>	<i>Question the value of what we do, aim to reduce complexity and are always cost conscious to ensure we can reinvest where it matters most.</i>
<i>Together</i>	<i>Together we will achieve our vision; because together we are British Airways.</i>

Some roles may require further proficiency in one or more of the behaviours.
